DECLARATION OF HONOUR

I declare that I have not been convicted of, and am not subject to any restriction arising from, offences that prohibit working with children under the Estonian Child Protection Act (lastekaitseadus § 20) or the equivalent law of my home country. If I corner athletes under 18, I submit together with this form a criminal-record extract issued within the last 12 months by my home country's criminal-records authority.

I COMMIT TO THE FOLLOWING

1. Corner rules. Maximum two cornermen per athlete, at least one present. I stay seated in my designated place during rounds, enter the fighting area only when the rules of the discipline allow it, and remove stools, towels and bottles before each round. I wear the protective gloves required by the medical team and change them as instructed.

2. Athlete safety first. I may stop the contest for my athlete at any permitted moment, and I will do so whenever their health requires it. I follow every instruction of the referee and the medical team without argument. Medical decisions, including suspensions, are final for the purposes of this event.

3. Responsible weight management. I do not permit or assist weight cutting by dehydration. Youth athletes in my corner compete at their natural weight; I do not permit weight cutting by minors. I understand that diuretics are prohibited as WADA masking agents, that intravenous rehydration is prohibited, and that event doctors may test any athlete for dehydration at any time.

4. Working with minors. I am the named responsible adult, within the accredited competition areas during competition days, for the minor athletes listed above. Medical and legal decisions remain with each athlete's parent or guardian. I commit to: never being alone with a child out of sight of others (two-adult / open-door principle); appropriate conduct at minors' weigh-ins (same-gender supervision arrangements, appropriate dress, no photography); no photography or filming of children in changing, weigh-in or warm-up areas; physical contact limited to what coaching and cornering require; no intimate or romantic conduct with any athlete, including athletes aged 16–17; no alcohol or intoxicants while responsible for minors.

5. Reporting. I report any safeguarding concern immediately to the event Safeguarding Officer: Heleri Tähtre, +372 5828 0200, heleri@theclash.ee. I am aware of the general duty to notify a child in need (lasteabi 116 111; emergency 112).

6. Concussion and recovery. I disclose to the event medical team any recent knockout, technical knockout or medical suspension of an athlete in my corner, and I respect post-competition rest periods. An athlete knocked out at this event does not return to competition at this event.

7. Respect. I treat referees, judges, medical staff, volunteers, opponents and their corners with respect. I do not incite spectators, protest loudly, or dispute decisions outside the official protest procedure of the discipline.

8. Anti-doping. I comply with the World Anti-Doping Code and I do not administer or encourage any prohibited substance or method.

9. Consequences. A breach of this code will result in a warning, withdrawal of my corner wristband, or removal from the venue, proportionate to the breach; where circumstances permit, I am heard first. Safeguarding breaches are additionally reported to the police or the Social Insurance Board and to my club and federation. Corner misconduct can also sanction my athlete under the rules of the discipline.
