Dear fighters, coaches, and federation friends —

The Clash Festival is a non-profit event, co-funded by the Erasmus+ Sport programme. **There is no entry fee for competing athletes.** Bring your mouthguards — Clash supplies the equipment, the medical desk, and the fight area.

All weight classes run **single-elimination brackets**. The **Clash Champion's Belt** goes to the winner of every class with **8 or more entrants**, earned in the bracket over three matches (qualifier, semi-final, final); classes with fewer than 8 entrants award the **Clash Champion's Medal** instead. Every podium place receives a medal and diploma. Come well prepared, respect your opponent, and we will see you in Tallinn.

WHAT THE CLASH FESTIVAL IS

A non-profit, five-day European combat-sports gathering — 13+ partners across the EU, four disciplines under one roof, co-funded by the Erasmus+ Sport programme.

Held at **Unibet Arena, Tallinn**, 20–24 October 2026. **There is no entry fee for competing athletes** — Clash supplies the equipment, the medical desk, and the fight area. MMA, K-1 and Muay Thai each get their own arena, with a fourth discipline to be announced, so multi-discipline clubs attend a single venue for a single week. Come well prepared, respect your opponent, and we will see you in Tallinn.

CLASH
CHAMPION'S BELT

MORE THAN A COMPETITION

Combat sports under amateur rules, all under one roof. For five days, Unibet Arena becomes the home of European amateur fighting: MMA, K-1 and Muay Thai — with a fourth discipline to be announced — brackets from youth to senior, athletes from 12+ partner countries, and a festival built around the fighters, not just the fights.

COMPETE

Full brackets in MMA, K-1 and Muay Thai (a fourth discipline to be announced) under IMMAF, WAKO and IFMA amateur rules, with a professional live broadcast of every match.

FIGHT FOR THE BELT

Weight-class winners take home the Clash Champion's Belt: serialised, discipline-specific, yours to keep, and earned in the bracket, never handed out.

LEARN

Free seminars all week: nutrition and recovery, mental health, training methodology, personal branding, coach development, judging and EU funding. Master Classes from Glory Kickboxing and UFC fighters.

GET SUPPORTED

The Erasmus+ funded Supported Athlete Programme helps athletes who could not otherwise afford to compete: selected athletes receive support towards travel or accommodation.

GET CERTIFIED

Participants receive a Europass certificate recognising what they took part in and learned.

COMPETITION FORMAT

Rules: IFMA Rules and Regulations v3.0 (11 May 2026), with the full IFMA weight ladder per age class; the rulebook is archived at theclash.ee/en/registration. Age classes (by year of birth, cut-off 31 December): **U14 (12–13)** · **U16 (14–15)** · **U18 (16–17)** · **U24 (18–23)** · **Elite (18–40)**. Athletes aged 18–23 register in either U24 or Elite, not both. Rules meeting Wed 21 Oct morning — mandatory for all coaches; athletes do not attend.

FORMAT

- **Single-elimination brackets** — both semi-final losers place third. When the entrant count is not 2, 4, 8 or 16, the top seeds receive first-round byes.
- **Round formats** — Elite/U24 3×3 min · U18/U16 3×2 min · U14 3×1.5 min.
- **Clash Champion's Belt** — awarded in every class with **8 or more entrants**, earned over three matches (qualifier, semi-final, final). Fewer than 8 entrants: no belt, and the winner takes the **Clash Champion's Medal**.
- **Medal + diploma** for 1st, 2nd and both 3rd places. Full detail in **Awarding** (next page).

Wai Khru Ram Muay. The traditional pre-fight ritual is respected — Mongkon + 3 prostrations + basic postures. Clash applies a 45-second uniform cap across all age classes (within IFMA's 2-min Elite / 1-min youth-class maximums). Athletes may request a longer Wai Khru via their corner during equipment inspection.

WEIGH-IN

Per IFMA Rule 8.1, competition starts at least 3 hours after the Competition Weigh-In. Lightweight undergarments, electronic metric scales, gender-separated weigh-in team. Pre-Contest Weigh-In: weight 5% above class OR equal to the next class → disqualification.

AWARDING • CLASH CHAMPION'S BELT

THE MARQUEE AWARD

CLASH CHAMPION'S BELT

The flagship hardware of the Clash Festival. The Clash Champion's Belt goes to the winner of every weight class with **8 or more entrants**, earned in the bracket over three matches (qualifier, semi-final, final), never handed out.

Classes with fewer than 8 entrants award the Clash Champion's Medal instead. Both semi-final losers place third.

CHAMPION'S BELT — HOW IT IS EARNED

The Clash Champion's Belt is awarded in every weight class with **8 or more entrants**. The winner must have fought at least **three matches** (qualifier, semi-final, final) — a belt is earned, not handed out. Classes with fewer than 8 entrants do not award a belt; the winner receives the **Clash Champion's Medal and diploma**. Both semi-final losers place third.

EQUIPMENT

Athletes compete only in Clash-supplied gloves, head guards, shin guards, elbow guards, and (where required) body protector. Personal protective equipment is not permitted in the ring. Athletes bring personal items.

CLASH SUPPLIES

- **Gloves** — 10 oz IFMA-approved, red + blue
- **Head guard** — IFMA-approved, red/blue (worn after Wai Khru)
- **Shin guards** — cloth construction, IFMA-approved
- **Elbow guards** — cloth construction, IFMA-approved
- **Body protector** — red/blue, U24 + all youth classes (NOT Elite)
- **Competition shirt/singlet** — neutral colour, tucked into belt

ATHLETE BRINGS

- **Mouthguard** — form-fitted, NOT red or pink
- **Groin protector** — metal, mandatory
- **Female chest protection** — mandatory Elite; optional U24 and youth classes
- **Muay Thai shorts** — no pockets
- **Mongkon + Prajiad** — athlete's own (sacred personal items)
- **Hand wraps** — soft surgical bandage or Velcro, ≤5 m, ≤5 cm wide

Metal groin protectors and hand wraps will also be available for sale at the competition venue.

2-minute fix rule. Equipment inspected at weigh-in and in the bout-ready area. Athletes with non-compliant equipment have 2 minutes to remedy. No remedy → disqualification.

MEDICAL REQUIREMENTS

Do not falsify medical documents. Suspected falsification = immediate disqualification and a fine. The medical team and The Clash Baltic reserve the right to verify any document.

Every competing athlete passes a **pre-competition medical check at the Clash medical desk** on each competition day, before weigh-in. No exceptions.

Each club names one **medical contact**, who e-mails the whole team's medical documents to medical@theclash.ee by **7 October 2026** — preferably one combined PDF per athlete, named **Firstname_Lastname.pdf**. Separate files are accepted if named **Medical_Certificate_Firstname_Lastname.pdf**, **Bloodtests_Firstname_Lastname.pdf** or **Dental_Certificate_Firstname_Lastname.pdf**. Nothing is uploaded at registration or brought on paper; at accreditation athletes show **photo ID only**. Incomplete or late documents risk exclusion. There is no on-site document processing or testing.

- **Medical certificate** — the **Clash Medical Examination Form** (adult form for athletes 18 and older; U18 form for minors, countersigned by a parent/guardian), filled in, signed and stamped by **any licensed doctor**. A family doctor or GP is fine; no sports-medicine clinic and no national sports certificate is required (a certificate your federation needs for its own insurance is separate). Issued within the 12 months before 20 October 2026. Forms at theclash.ee/en/registration.
- **Blood test** — HIV 1/2 Ag+Ab, HBsAg and HCV Ab, all negative, on laboratory letterhead with signature or stamp. Required for athletes **16 and older**, taken within the last **6 months**. Athletes competing in both MMA and Muay Thai: a test taken within the last 6 months covers both disciplines.

Female athletes 14 and older confirm non-pregnancy confidentially at the competition-day medical check; there is no registration document for this.

Post-contest medical is voluntary by default, but required after a **KO, TKO, or any significant injury** (on-site medic's risk assessment) or at the discretion of the medic, referee, or organizer. Head-injury probation per IFMA Rule 6 applies after KOH/RSCH. The on-site medical team covers the arenas throughout the festival, with ambulance access and transport to North Estonia Medical Centre.

ANTI-DOPING

All competitors, coaches, and officials comply with the **WADA Code** and the **IFMA Anti-Doping Code** (the WADA Prohibited List is IFMA's prohibited-substance list). IFMA reserves the right to test under the WADA Code. Athletes with a valid **TUE** (Therapeutic Use Exemption) must present documentation at accreditation.

UNIVERSAL ATHLETE DECLARATION

Every athlete registers with the **Universal Athlete Declaration**, which has two parts: the **Terms & Information** document and the **Signature Sheet**. Read the Terms & Information — one printed copy per team is enough. Then complete and sign the **Signature Sheet** (one per athlete) and upload it as a PDF during Smoothcomp registration. Athletes 18 and older sign for themselves. For athletes under 18, a parent or legal guardian completes and signs the Signature Sheet; athletes aged 12–17 also sign their own assent line. Before signing, parents read the Terms & Information and the **Risk Information Sheet** at theclash.ee/en/registration. One signed sheet covers all disciplines.

REGISTRATION · SMOOTHCOMP

DEADLINE

30 September 2026 · 23:59

Europe/Tallinn · No late registrations accepted

Registration runs on **Smoothcomp** — one festival event, per-discipline registration. All documents, rules, and templates: theclash.ee/en/registration. **Entry fee: €0** — a non-profit event, fully covered by Erasmus+ Sport (project 101245727).

1

THE CLUB REGISTERS ITS ATHLETES

One person per club registers the team through Smoothcomp's **Coach Manager** — step by step on the next page. Athletes may register themselves, but the club must be selected and the same documents apply. Each athlete's date of birth in Smoothcomp sets the age category, so it must be correct.

2

UPLOAD ONE DOCUMENT

The signed **Signature Sheet** of the Universal Athlete Declaration (PDF). Read the **Terms & Information** first — one printed copy per team is enough — then complete and sign the Signature Sheet, one per athlete, and upload it to each discipline registration. Signed by the athlete, or by a parent or legal guardian for under-18s — never by the club; athletes aged 12–17 also sign the assent line. Both documents at theclash.ee/en/registration. Nothing medical is uploaded.

3

MEDICAL DOCUMENTS BY E-MAIL

Each club names one medical contact, who e-mails the whole team's medical documents to **medical@theclash.ee** by **7 October 2026** — preferably one combined PDF per athlete, named `Firstname_Lastname.pdf`. At accreditation athletes show photo ID only. Incomplete or late documents risk exclusion.

4

COACHES & TEAM STAFF

Every team member who needs festival access — coaches, cornermen and support staff — registers in Smoothcomp under **Coaches & Team Staff** and submits the same documents. Documents are submitted as one club package: by **30 September 2026**, one team member e-mails the team list, each member's signed **Coach Declaration** (form at theclash.ee/en/registration), and every member's criminal-record extract issued within the last 12 months, to **info@theclash.ee**. Preferably one combined PDF per person, named `Firstname_Lastname.pdf`. At accreditation, team members show ID and receive a **wristband**, which gives festival access including the corner area. During a match, a maximum of **two team members** work the athlete's corner at any time. No wristband, no entry to the festival. Fans and supporters can buy spectator tickets: €10 day pass, €20 5-day pass, under-12s free with an adult.

MEDIA

By registering, the club consents to the athlete being filmed and photographed for live streaming (YouTube @TheClashBaltic), event highlight reels and marketing (Clash + partner channels), and Erasmus+ project reporting (mandatory under grant).

REGISTERING YOUR TEAM ON SMOOTHCOMP

Athletes represent their club. The club is what appears in registration, brackets and results. When a federation wants a delegation of several clubs to appear under one flag, those clubs can be linked under an **Affiliation** in Smoothcomp; affiliations are created by Smoothcomp support (support@smoothcomp.com).

1

GET COACH MANAGER ACCESS

Create a free Smoothcomp account. If your club is not on Smoothcomp yet, create the academy — you become its manager automatically. If it already exists, join it and ask the current manager to make you a coach, or e-mail support@smoothcomp.com. Do not create a duplicate academy.

2

APPROVE YOUR MEMBERS

In the academy settings, turn on member approval so that only your athletes can join, and approve them before the event.

3

OPEN THE EVENT AND ADD ATHLETES

Open smoothcomp.com/en/event/32203 and click **Register** (or My account > Coach manager > your academy > Event registrations). Athletes who already have accounts appear under **Existing users**; for the rest, click **Create a new user**. Each athlete needs a unique e-mail — a parent's e-mail for under-18s.

4

COMPLETE EACH REGISTRATION

Fill in the coach's name, e-mail and phone, pick the discipline(s) and weight class, and upload the athlete's signed **Signature Sheet** — signed by the athlete, or by a parent for under-18s, never by the club.

5

SUBMIT BY 30 SEPTEMBER 2026, 23:59 (TALLINN TIME)

Entry is free.

Coaches, cornermen and support staff register separately under **Coaches & Team Staff**, and one person per club sends the coach package to info@theclash.ee by 30 September 2026 (see the previous page). Without it there is no wristband and no access. Questions about registration: one contact person per club writes to info@theclash.ee.
